OBSERVED WORLD BLOOD DONOR DAY

A Report

On the 14th Day of June 2020 during Pandemic restrictions we have observed **World Blood Donor Day** with the guidelines of WHO and NACO to spread the awareness among the society about the importance of Blood Donation even in any emergency.

The day was celebrated in two sessions. In the morning we have organised (3) Three VBD Camps, two camps were organised at our office premises at Loknathpally Sishu Seva Sangha in Midnapore Town and the third camp was organised by Ward No-22 Committee at Sritikona High School, Midnapore town where 40, 31 and 55 units I.e., total 126 Units were collected among them 24 were female voluntary blood donors. These entire blood units were collected by Midnapore Medical College and Hospital, Blood Component Separator Unit.

At the evening 30 participants we have organised a *Seminar on Voluntary Donation* and a *felicitation programme to Recognise Emergency call donors* at the Association office in Presidency of Sri Gobinda Bhattacharjee, Executive officer, Bishnupur Municipality. *This program was also made live on the Social Media.*

Dignitaries present: Sri Chinmoy Das, Addl Deputy Secretary, Zilla Parishad and Sri Shib Sankar Bose, Hon'y President of the Association.

Topics of Discussion: 1. Indian Perspective of World Blood Donor Day 2. Memoir of Dr. Karl Landsteiner, 3. Our Responsibility in Voluntary Blood Donation and 4. Our Annual Activity.

Presented by: Sri Shiv Sankar Bose, Hon'y President MVBDA, Sri Sapath Kumar Chakraborty, Hon'y Secretary MVBDA, and Sri Siddhartha Kamilya, Member KVBD.

Recognised with Love and gratitude to 10 (Ten) Voluntary Blood Donors who responded in emergency to donate in the Blood Bank to save a life in the hospital bed.

During all these activity we followed the Government & Health guidelines of Pandemic.

We do believe with International Red Cross Society-

“Social Distancing does not have to mean Social Disengagement”

OUR ANNUAL REPORT

It is good to see that after the outbreak of COVID-19 in this Paschim Medinipur District we could be able to meet up the crisis of blood medicine almost to the requirement by motivating Clubs, societies and different political parties to organise blood donation camps. We have also expressed our gratitude to our nearest brother C.B.Os at Kharagpur (K.V.B.D.O) and at Bishnupur (BSRS) and above all the Association of Voluntary Blood Donors' West Bengal for their co-operation and support.

OUR MISSION AND TERGETED GROUPS

“No one shall die in crisis of Blood Medicine”- to materialise our VISION we have taken the below mentioned decision as mission for till the next World Blood Donor Day.

1. Every year we are able to organise only one VBD Camp in the Vidyasagar University. But Subject & Department wise Workshop on Blood Donation and Thalassaemia prevention awareness will help us to increase the camp numbers throughout the year. In this target we will meet again with the Department Heads and NCC & NSS Project Heads.
2. Meeting with the District Administration for immediate steps to be taken for prevention of Thalassaemia and cures of the Majors.
3. In our District we have around 700 High Schools and approx 50 Colleges. In all this institution we will reach at the earliest for increasing awareness on Thalassaemia and requirement of Voluntary Blood Donation Camps.
4. In this district we still have many areas & localities where no blood donation camp is organised one in a year. We will start demarking those places to increase camp nos.
5. We will enrich the Emergency Blood Donor list with more Donors name according to the Blood Group made them health checkup free ready for Call Donation in the Blood Bank.
6. On 16th December at the foundation we do our annual meeting with the camp organiser to create a calendar of VBD Camps for the next year.
7. With the co-operation with AVBDWB, we will arrange the Free Certificate Course on Social Work and Blood Donation Motivation for our Volunteers' self Development.
